Sections: -- Industry Night Wrap-up -- Alumni Table -- Thank You -- Elsoc-Alumni Night

Elsoc's formal Industry Night progressed smoothly with undergraduates from all years. Companies that attended are in the first comment.

== INDUSTRY NIGHT ==
WRAP-UP

Aarshia organised the night as a two-step process. The first hour had only the final year students mix with the companies keen to be there. A brilliant move!

The second hour allowed the others in with their curiosity and questions. You could hear the buzz ramp up.

The Elsoc exec grouped in different places on the floor. Most likely to keep students and stall holders connected.

== ALUMNI TABLE ==

Both James Bott & Peter Vickery were non-stop fielding questions and sharing their experience in the Power Industry. Apology from Regan Fan. He brought the Telstra stand.

We had many first and second year students across the evening that spent 5-10 minutes each with many short questions. Jinhong Yuan, head of school, had many questions in the last 20-25 minutes.

**** Panic ****

Do you recall trying your best for the HSC exams through the waves of panic? How did it turn out now that you're here in ElecEng? We had a couple of final year students expressing their high expectations and unknown future.

Isn't it the darkest or coldest before the dawn?

Sometimes you need to let the energy-in-motion (emotion) surface and dissipate much like the heatsink on a power transistor for the signal to amplify. Let it develop or 'Talk 2me Bro' as you're going through a rough patch and not a rough life.

== THANK YOU ==

a) From Elsoc

"Thanks again for your support!

We really appreciated it and I hope you enjoyed the night.

I am looking forward to the up and coming Alumni night!

Kind Regards,
Liam Mitchell | he/him | President"

b) From Head of School

"Dear all,

Great meeting you and chatting with you.
Really appreciated your presence and discussions with our students.

Best Regards,
Jinhong" (Yuan)
